

UNIVERSITY OF THE THIRD AGE ANNUAL REPORT 2002-2003

The three years of my chairmanship have seen the very successful. The Harlequin Exhibition, the starting up of the Rickmansworth U3A under the capable hands of Margaret Thompson, and also the opening up of the South West Herts. U3A. Our thanks are due to Mary Coleman for her efforts in setting up this branch. Our study groups are very well supported, and we now have 43 groups in all.

I noticed last year in my report to you that because of our well-established reputation, we had to close our waiting list at 100. I am afraid the demand is as great as ever and we still have a waiting list. Our present meeting place at the Police Club will hold only so many. The committee is looking into alternative halls, but they are far and few between.

Two committee members are standing down this year, Rosemary Agg and Mary Coleman. To both of them go our grateful thanks from all our members for all their hard work and commitment to the continued well-being of the Watford and District U3A.

I would like to take this opportunity of wishing the new chairman and committee all the best for the future. .

Mike Dix Chairman
